Fall 2014

Change is in the Air!

The shift to autumn is our transition from the sweet abundance of summer to the bare darkness of winter. Autumn is known for the leaves dropping and letting go of the old to make way for the new. Dress for Success Southern Nevada fits perfectly into this transition.

Autumn is a great time to:

- Clean out your closets and donate your unused professional attire
- Gather with your friends to volunteer at our boutique to help women in need
- Have some fun! Join our Little Black Dress club to meet new people outside your circle of influence and develop long-lasting friendships
- Commit to helping others by adopting Dress for Success Southern Nevada as your office's charity for the holiday

*Shelli Ryan
Chairman of the
Board*

Now is the time to: Let go, welcome new beginnings, give generously,. Remember, when we practice generosity, we open to new possibilities.

Welcome to our new board members

Dress for Success of Southern Nevada is pleased to announce two successful women have joined its board of directors.

Brooke Thomas, Director of the Nevada Boise Complex of Merrill Lynch was born in Houston and raised in Birmingham. Now, a board member, she feels strongly about providing thoughtful ideas, innovative strategy, accountability, professionalism and advocacy.

Brenda Bradbury, Human Resources Director of MGM Grand Las Vegas found Dress for Success when she cleaned out her closet as a result of losing over 100 pounds (literally and figuratively). It was time to get healthy and start doing some things to fuel her desire to make a difference in the lives of women in our community.

We are excited to have these wonderful women join the board!
