Big Thanks to...

Providing individuals with the necessary means to reach their goals and to achieve their full potential does not go without cost. Dress for Success would like to thank all of the donors and sponsors who make this program not only possible, but truly a success. Without these generous contributors Dress for Success would not be capable of giving back to the community.

Recognition of Founding Partners

Dress for Success owes its legacy to its founding partners. Without their vision and dedication, the program would not have made the impact on the lives of so many people who needed their service.
